## Upcoming Funding Opportunities & Deadlines

It's not too early to be thinking ahead!

- ❖ The **U.S. Department of Agriculture (USDA) Rural Development** is accepting applications to establish revolving loan programs to support rural businesses and community development projects. The revolving loan funds may issue loans for the purchase, construction, or expansion of a rural business; purchase or development of land; purchase of equipment, machinery, or supplies; or for start-up costs and working capital. The loans will be established through USDA's [Intermediary Relending Program](#) and are subject to the availability of funds. Nonprofits, cooperatives, federally-recognized tribes, and public agencies are eligible to apply. This funding is awarded on a competitive basis. The deadlines for completed applications to be received in the USDA Rural Development State Office for quarterly funding competitions is no later than 4:30 p.m. (local time) on the following dates:  
Second Quarter: December 31, 2020  
Third Quarter: March 31, 2021  
Fourth Quarter: June 30, 2021  
Additional information is available at <https://www.govinfo.gov/content/pkg/FR-2020-12-07/pdf/2020-26771.pdf>
  
- ❖ The Federal Highway Administration (FHWA) and Alabama Department of Transportation (ALDOT) have announced calls for the Traffic and Safety Operations Section's (TSOS) **Highway Safety Improvement Program (HSIP)** applications. **Deadlines are April 1<sup>st</sup>, July 1<sup>st</sup>, October 1<sup>st</sup>, and January 1<sup>st</sup>. Max funding amount per agency for reducing rural land departures is \$2,000,000; for intersection related projects is \$2,000,000, and for safe transportation for every pedestrian (STEP) is \$200,000.** They are also announcing a new Local Roads Safety Initiative within the Alabama HSIP. The initiative will be open to cities and counties for both rural and urban non-State maintained roadways with significant safety risks. Applications submitted through this initiative must be in accordance with the most recent Alabama Strategic Highway Safety Plan and applicable Local Road Safety Plans if one has been developed by the county that the location falls within. The TSOS is also making available Road Safety Review (RSR) service for those cities or counties that have an identified location(s) but would like some assistance in ensuring the most effective countermeasures are chosen. Applications under this initiative will be submitted electronically to the ALDOT State Traffic and Safety Operations Engineer. PE, ROW, UT, and CN phases are eligible for funding, but may make the application less competitive compared to those with only CN phases requested. Contact John-Michael Walker at 334-242-6123 or [walkerjoh@dot.state.al.us](mailto:walkerjoh@dot.state.al.us) with any requests for assistance or questions about the program.
