Number of stops you make is determined by driver. On busy days you may be limited!

Extra stops \$1.00 ea.

Additional miles \$1.00 per mile.

Please be considerate of other riders when shopping. The driver is on a schedule and can't allow unlimited time for shopping. He/she will let you know how much time you have when you are dropped off. Please respect this.

Also: The amount of time it takes to see a doctor cannot be pre-determined. Keep this in mind if you are riding with someone who has a doctor's appointment! We try our best to serve everyone!

Local trips must be cancelled at least 1 hour prior to appointment time. Out of town trips must be cancelled 24 hours before appointment time. We will not make trips during severe weather or road conditions! You cannot choose your driver. Whatever driver is available will be the one who takes you. Medical trips take priority over shopping!
