

East Alabama Rural Planning Organization
District Policy Committee/Technical Advisory Committee –Southern District
Meeting Minutes of the Regular Meeting
January 24, 2013
ALDOT
Alexander City, Alabama

Policy Committee Members in Attendance:

Jerry Thrower – City of Lanett
Tony Goss – City of Alexander City

Technical Advisory Committee Members in Attendance:

Mr. William D. McDaniel
Dejarvis Leonard
John C. Trimble

Other Attendees:

Ms. Robin Caler, EARPDC

Robin Caler called the meeting to order at approximately 10:00 a.m. The first item on the agenda was Election of Officers. There were two municipal representatives attending the meeting and after a brief discussion, it was determined the election of officers would be postponed until the next meeting in hopes of better attendance.

Ms. Caler then asked if all present had received minutes of the previous meeting. All present stated they had and the minutes were approved with no corrections, additions, or deletions.

The next item on the agenda was Report of Officers, Staff, and/or Committees. Robin Caler from the East Alabama Regional Planning and Development Commission gave a report on Safety Provision in MAP 21 (handout attached). This report was followed by an update of ALDoT projects provided by Mr. McDaniel and Mr. Trimble (handout attached).

There were no county engineers present and no updates on county roads were provided.

The next item on the agenda was CLEAR Plan 2030 deliverables – Regional Land Use and Regional Transportation studies. The topics of content, data resources available and timeline were discussed for the Transportation study.

Upon the conclusion of the CLEAR Plan discussion, Ms. Caler stated the next item on the agenda was Open Discussion and Announcements. Mr. Leonard relayed information had had been made aware of regarding roads and capacity over the next 10 to 15 years.

Basically, the road projects that were in place are all that would be available during that time frame and there would be little to no expansion in capacity of the existing network.

There being no further business or discussion, the topic turned to the next meeting. A date of April 11, 2013 and time of 10:00 a.m. was set. The meeting would be held in the ALDoT offices.

There being no further business, the meeting was adjourned.
