Calhoun Area MPO Updates

❖ **MPO Meetings**

We are still uncertain of how social distancing protocols will change for the upcoming month. We will continue to err on the side of caution and all MPO meetings will be held via conference call. The call-in number for the all MPO Committee meetings is 1-866-899-4679 with an access code of 312-611-237. Meeting notifications will be sent similarly to those of prior meetings and will include all meeting information. If you are not currently on the MPO notification mailing list and would like to attend, please email Libby at elizabeth.messick@earpdc.org. All MPO meetings are open to the public.

Upcoming Funding Opportunities & Deadlines

It's not too early to be thinking ahead!

- ❖ The Federal Highway Administration will make available grants through the **Nationally Significant Federal Lands and Tribal Projects (NSFLTP) program** to provide funding for the construction, reconstruction, or rehabilitation of transportation projects providing access to or located on Federal or Tribal lands. Eligible applicants include entities eligible to receive funds under the Federal Lands Access Program. A state, county, or local government may only apply for funding under NSFLTP Program if sponsored by an eligible Federal land management agency (FLMA) or federally recognized Indian Tribe. **Closing date for applications is November 2, 2020.**
- ❖ **America Walks** is now accepting applications for its **Community Change Program**. **The application deadline is November 9, 2020.** Funded projects must demonstrate that they will show increased physical activity and active transportation in a specific community, work to engage people and organizations new to walkability, and demonstrate a culture of inclusive health and design. Projects will create healthy, active,

and engaged communities that support walking as transportation, health, and recreation. Projects must demonstrate a foundation of equity and authentic engagement of the whole community. Each community will be awarded up to \$1,500 and funds must be used in calendar year 2021. Learn more and apply at https://docs.google.com/forms/d/e/1FAIpQLScLDJauCLctJXaWEQox8qoAlhQWUi9MKJ02W_DEz6ji-0a6wg/viewform.

- ❖ The US Department of Health and Human Services (HHS) Health Resources & Services Administration (HRSA) has announced this opportunity to apply for funding under the **Rural Health Network Development Planning Program**. The grant program supports one year of planning to develop and assist integrated health care networks (which are an organizational arrangement among at least 3 regional or local health care organizations) in becoming operational. **Applications are due November 16, 2020**. Learn more at http://www.ubalt.edu/about-ub/offices-and-services/provost/reporting-units/sponsored-research/ondcp_nofa.cfm.

- ❖ **The Alabama Department of Transportation (ALDOT)** has opened applications for the **Rebuild Alabama Act (RAA) Grant Program**. Prospective project sponsoring governmental agencies are encouraged to review the FY 2021 RAA Annual Grant Program Guidelines when considering the development of applications. Sponsors will be required to submit the original application and 3 color copies to the ALDOT Local Transportation Bureau no later than **November 30, 2020**. More information can be found at <https://www.dot.state.al.us/RAGrantprogram/>.

- ❖ The Federal Highway Administration (FHWA) and Alabama Department of Transportation (ALDOT) have announced calls for the Traffic and Safety Operations Section's (TSOS) **Highway Safety Improvement Program (HSIP)** applications. **Deadlines are April 1st, July 1st, October 1st, and January 1st. Max funding amount per agency for reducing rural land departures is \$2,000,000; for intersection related projects is \$2,000,000, and for safe transportation for every pedestrian (STEP) is \$200,000**. They are also announcing a new Local Roads Safety Initiative within the Alabama HSIP. The initiative will be open to cities and counties for both rural and urban non-State maintained roadways with significant safety risks. Applications submitted through this initiative must be in accordance with the most recent Alabama Strategic Highway Safety Plan and applicable Local Road Safety Plans if one has been developed by the county that the location falls within. The TSOS is also making available Road Safety Review (RSR) service for those cities or counties that have an identified location(s) but would like some assistance in ensuring the most effective countermeasures are chosen. Applications under this initiative will be submitted electronically to the ALDOT State Traffic and Safety Operations Engineer. PE, ROW, UT, and CN phases are eligible for funding, but may make the application less competitive compared to those with only CN phases requested. Contact John-Michael Walker at 334-242-6123 or walkerjoh@dot.state.al.us with any requests for assistance or questions about the program.

- ❖ The **U.S. Economic Development Administration (EDA)** has published the **FY 2020 Public Works and Economic Adjustment Assistance Programs Notice of Funding Opportunity (PWEAA NOFO)**. Under this NOFO (formerly known as the Economic Development Assistance Program NOFO), the EDA solicits

applications for construction, non-construction, planning, technical assistance, and revolving loan fund projects under EDA's Public Works program and Economic Adjustment Assistance (EAA) program, which includes Assistance to Coal Communities. EDA awards made under these programs are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities, including those negatively impacted by changes to the coal economy. Projects funded by these programs will support work in Opportunity Zones and will support the mission of the Department by, among other things: leading to the creation and retention of jobs and increased private investment, advancing innovation, enhancing the manufacturing capacities of regions, providing workforce development opportunities, and growing ecosystems that attract foreign direct investment. Access this funding opportunity [here](#).

- ❖ The **Economic Development Administration (EDA)** has made available \$587 million to eligible grantees in communities effected by natural disasters in 2018 and floods and tornadoes in 2019. Applications should provide long-term, regionally oriented, and collaborative development strategies designed to generate economic growth and resilience. No application deadlines apply, and the EDA will continue to accept applications on a rolling basis. For more information can be found [here](#).
- ❖ The **U.S. Department of Housing and Urban Development (HUD)** is accepting requests for Technical Assistance (TA) under the **Distressed Cities Technical Assistance (DCTA)** Program. The TA program is specifically designed to assist communities with populations under 40,000 that are struggling to recover from natural disaster and economic decline. DCTA may be used to build capacity around: financial management, economic revitalization; affordable housing development; disaster recovery and resiliency planning; cross-sector partnership building; and utilizing federal development programs. To learn more visit the [Distressed Cities Technical Assistance](#) page on the HUD Exchange.
- ❖ The **Department of Homeland Security (DHS)** has released FY 2020 Notices of Funding Opportunity for **eight DHS preparedness grant programs totaling nearly \$1.8 billion**. The grant programs provide funding to state, local, tribal, and territorial governments, as well as transportation authorities, nonprofit organizations, and the private sector, to improve the nation's readiness in preventing, protecting against, responding to, recovering from, and mitigating terrorist attacks, major disasters, and other emergencies. The grants focus on funding for programs that address the nation's immediate security needs and ensure public safety in our communities. Funding opportunities are available for the **Emergency Management Performance Grant (EMPG), Homeland Security Grant Program (HSGP), Tribal Homeland Security Grant Program (THSGP), Nonprofit Security Grant Program (NSGP), Intercity Passenger Rail- Amtrak (IPR) Program, Port Security Grant Program (PSGP), Transit Security Grant Program (TSGP), and Intercity Bus Security Grant Program (IBSGP)**. For more information on DHS's preparedness grant programs visit www.grants.gov or www.fema.gov/grants. Final submissions must be made through the Non-Disaster (ND) Grants system located at <https://portal.fema.gov>. Contact the Office of External Affairs, Congressional and Intergovernmental Affairs Division at (202) 646-3444 or at FEMA-IGA@fema.dhs.gov with any questions.

- ❖ The U.S. Department of Agriculture (USDA) announced that it is providing funds to rural projects that support regional economic and community development planning. This [Strategic Economic and Community Development \(SECD\)](#) funding is authorized for applications submitted through the [Community Facilities Loans, Grants and Loan Guarantees](#), [Water and Waste Disposal Program Loans, Grants and Loan Guarantees](#), [Business & Industry Program Loan Guarantees](#), and [Rural Business Development Grants](#) programs. Applicants are encouraged to consider projects that provide measurable results in helping rural communities build robust and sustainable economies through strategic investments in infrastructure, partnerships, and innovation. For more information in this opportunity, click [here](#).

- ❖ The [Environmental Finance Center Network](#) is offering technical assistance free of charge to small drinking water systems serving 10,000 or fewer people. Services include a resource help desk, financial health check-up, water and wastewater rates analysis tool, and a financial resilience dashboard. See https://www.nado.org/wp-content/uploads/2020/06/TechnicalAssistanceEFCN_COVID.pdf for more information.

More information regarding deadlines will be distributed as it becomes available. Please don't hesitate to contact Tyler Ferrell, EARPDC Director of Planning and Development at 256-237-6741 or tyler.ferrell@earpdc.org for more information.
