CEDS Strategy Committee

NOTICE OF PUBLIC HEARING

East Alabama Regional Planning & Development Commission

COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) UPDATE FOR:

Calhoun, Chambers, Cherokee, Clay, Cleburne, Coosa, Etowah, Randolph, Talladega, and Tallapoosa Counties

Dial-in number: (609) 663-0506

Online meeting link for video: <https://join.freeconferencecall.com/earpdc10>

East Alabama Regional Planning & Development Commission, along with the CEDS Strategy Committee, will conduct a public hearing at *3:30 p.m. on Tuesday, May 17, 2022, via conference call* for the purpose of receiving public comments concerning the region's CEDS. The Comprehensive Economic Development Strategy (CEDS) is a regional planning and implementation process designed to create jobs, foster more stable and diversified economies, improve living conditions, and provide a mechanism for guiding and coordinating the efforts of people and organizations involved in economic development. Interested citizens are encouraged to

review the previous CEDS, consider the strengths, weaknesses, opportunities, and threats regarding economic development in their area, and attend the hearing to offer their comments regarding important local issues and needs. The plan can be obtained on the EARPDC website, or by contacting Shelby Peterson. If you have any questions about the hearing or the CEDS, please contact Mrs. Shelby Peterson, Senior Planner, at the East Alabama Regional Planning and Development Commission at (256) 237-6741.

The Comprehensive Economic Development Strategy, or CEDS, is a regional planning and implementation process designed to create jobs, foster more stable and diversified economies, improve living conditions, and provide a mechanism for guiding and coordinating the efforts of people and organizations involved in economic development.

As we begin the CEDS update, **we invite you to join us on the Strategy Committee!** We are seeking diverse and broad-based stakeholder participation including public sector, private sector, nonprofits, workforce development boards, higher education institutions, labor groups, and more!

If interested, please reach out to Shelby Peterson at shelby.peterson@earpdc.org.

Upcoming Funding Opportunities & Deadlines

It's not too early to be thinking ahead!

- ❖ DOT's Federal Highway Administration (FHWA) released a NOFO for its **National Scenic Byways Program (NSBP)**. The program funds improvements, such as byway facilities, safety improvements, and interpretive information, along roads in the United States that merit recognition at the national level for their outstanding scenic, historic, cultural, natural recreational and archeological qualities. **Closing date for applications is May 16**. More information can be found here: <https://highways.dot.gov/newsroom/fhwa-announces-first-availability-national-scenic-byways-program-funding-2012?msclkid=3b559ea6abce11ec903f22b31706eacc>.
- ❖ The US Department of Transportation (USDOT) released a NOFO for the **Rural, Infra, and Mega competitive grant programs**. The three programs are combined under a single "Multimodal Project Discretionary Grant" (MPDG) process, and applicants may be eligible to receive awards from more than one program. **MPDG Applications are due May 23**. More information can be found here: <https://files.ctctusercontent.com/1a9cf05a501/59a8fcee-057c-488a-b386-cdfbcab729de.pdf?rdr=true>.
- ❖ The US Economic Development Administration has released a [Notice of Funding Opportunity](#) (NOFO) for the [Build to Scale \(B2S\) program](#), comprised of two national competitions (<https://www.grants.gov/web/grants/view-opportunity.html?oppId=339481>). The [Venture Challenge](#) seeks to support high-growth, technology-centric entrepreneurship (https://eda.gov/oie/buildtoscale/venture/?utm_content=&utm_medium=email&utm_name=&utm_source=govdelivery&utm_term=). The [Capital Challenge](#) increases access to entrepreneur-ready, equity-based capital by providing operational support for early-stage investment funds, angel networks, and investor training programs (https://eda.gov/oie/buildtoscale/capital/?utm_content=&utm_medium=email&utm_name=&utm_source=govdelivery&utm_term=). **Applications due: June 13, 2022**
- ❖ In partnership with Main Street America and Smart Growth America, T-Mobile is committing \$25 million toward small town grants over the next five years through its [Hometown Grants program](#). The program will award up to 100 towns per year with project funding grants of up to \$50,000 each. The program will focus on revitalizing community spaces in towns with 50,000 people or less. Main Street programs are encouraged to apply. For more information on the program and to apply go to <https://www.t-mobile.com/brand/hometown-grants>.
- ❖ **The U.S. Department of Agriculture (USDA) Rural Development** is seeking applications for loans and grants to support rural water and waste disposal systems. Applications are accepted year-round, and technical assistance is available. USDA's [Water and Environmental Programs](#) can assist with constructing or improving infrastructure through loans, grants, and loan guarantees. USDA can also partner with rural water and waste service providers to finance infrastructure that aims to protect the cyber security of their facilities. The Water and Environmental Programs at USDA were recently expanded, and guaranteed loans are now available to smaller communities that have the financial strength to take advantage of conventional credit as well as larger communities with populations of up to 50,000. USDA also has technical assistance resources available through partnering organizations. USDA's resources are not limited to communities that have already received a loan or grant through Rural Development. Any water or waste disposal system in an eligible rural area may benefit from technical assistance. For more information on the resources available reach out to your local [USDA Community Program Specialist](#). Applications can be submitted through [RDApply](#) (<https://www.rd.usda.gov/programs-services/rd-apply>).
- ❖ The Federal Highway Administration (FHWA) and Alabama Department of Transportation (ALDOT) have announced calls for the Traffic and Safety Operations Section's (TSOS) **Highway Safety Improvement Program (HSIP)** applications. **Deadlines are April 1st, July 1st, October 1st, and January 1st. Max**

funding amount per agency for reducing rural land departures is \$2,000,000; for intersection related projects is \$2,000,000, and for safe transportation for every pedestrian (STEP) is \$200,000. They are also announcing a new Local Roads Safety Initiative within the Alabama HSIP. The initiative will be open to cities and counties for both rural and urban non-State maintained roadways with significant safety risks. Applications submitted through this initiative must be in accordance with the most recent Alabama Strategic Highway Safety Plan and applicable Local Road Safety Plans if one has been developed by the county that the location falls within. The TSOS is also making available Road Safety Review (RSR) service for those cities or counties that have an identified location(s) but would like some assistance in ensuring the most effective countermeasures are chosen. Applications under this initiative will be submitted electronically to the ALDOT State Traffic and Safety Operations Engineer. PE, ROW, UT, and CN phases are eligible for funding, but may make the application less competitive compared to those with only CN phases requested. Contact John-Michael Walker at 334-242-6123 or walkerjoh@dot.state.al.us with any requests for assistance or questions about the program.

- ❖ The **Economic Development Administration (EDA)** has made available \$587 million to eligible grantees in communities effected by natural disasters in 2018 and floods and tornadoes in 2019. Applications should provide long-term, regionally oriented, and collaborative development strategies designed to generate economic growth and resilience. No application deadlines apply, and the EDA will continue to accept applications on a rolling basis. For more information can be found [here: https://www.eda.gov/disaster-recovery/](https://www.eda.gov/disaster-recovery/).
- ❖ The **U.S. Department of Housing and Urban Development (HUD)** is accepting requests for Technical Assistance (TA) under the **Distressed Cities Technical Assistance (DCTA)** Program. The TA program is specifically designed to assist communities with populations under 40,000 that are struggling to recover from natural disaster and economic decline. DCTA may be used to build capacity around: financial management, economic revitalization; affordable housing development; disaster recovery and resiliency planning; cross-sector partnership building; and utilizing federal development programs. To learn more, visit the [Distressed Cities Technical Assistance](https://www.hudexchange.info/programs/dcta/) page on the HUD Exchange (<https://www.hudexchange.info/programs/dcta/>).
- ❖ The **Department of Homeland Security (DHS)** has released FY 2020 Notices of Funding Opportunity for **eight DHS preparedness grant programs totaling nearly \$1.8 billion**. The grant programs provide funding to state, local, tribal, and territorial governments, as well as transportation authorities, nonprofit organizations, and the private sector, to improve the nation's readiness in preventing, protecting against, responding to, recovering from, and mitigating terrorist attacks, major disasters, and other emergencies. The grants focus on funding for programs that address the nation's immediate security needs and ensure public safety in our communities. Funding opportunities are available for the Emergency Management Performance Grant (EMPG), Homeland Security Grant Program (HSGP), Tribal Homeland Security Grant Program (THSGP), Nonprofit Security Grant Program (NSGP), Intercity Passenger Rail- Amtrak (IPR) Program, Port Security Grant Program (PSGP), Transit Security Grant Program (TSGP), and Intercity Bus Security Grant Program (IBSGP). For more information on DHS's preparedness grant programs visit www.grants.gov or www.fema.gov/grants. Final submissions must be made through the Non-Disaster (ND) Grants system located at <https://portal.fema.gov>. Contact the Office of External Affairs, Congressional and Intergovernmental Affairs Division at (202) 646-3444 or at FEMA-IGA@fema.dhs.gov with any questions.
- ❖ The U.S. Department of Agriculture (**USDA**) announced that it is providing funds to rural projects that support regional economic and community development planning. This [Strategic Economic and](#)

[Community Development \(SECD\)](#) funding is authorized for applications submitted through the [Community Facilities Loans, Grants and Loan Guarantees](#), [Water and Waste Disposal Program Loans, Grants and Loan Guarantees](#), [Business & Industry Program Loan Guarantees](#), and [Rural Business Development Grants](#) programs. Applicants are encouraged to consider projects that provide measurable results in helping rural communities build robust and sustainable economies through strategic investments in infrastructure, partnerships, and innovation. For more information in this opportunity, visit here: https://www.rd.usda.gov/sites/default/files/USDARD_SA_SECD02282020_.pdf.

- ❖ **The Environmental Finance Center Network** is offering technical assistance free of charge to small drinking water systems serving 10,000 or fewer people. Services include a resource help desk, financial health check-up, water and wastewater rates analysis tool, and a financial resilience dashboard. See https://www.nado.org/wp-content/uploads/2020/06/TechnicalAssistanceEFCN_COVID.pdf for more information.
- ❖ **Community Heart & Soul is offering \$10,000 in Seed Grant Funding** to small cities and towns. This program provides startup funding for resident-driven groups in communities with populations of 2,500 – 30,000 to implement the Community Heart & Soul model which engages the entire population of a town in identifying what they love the most about their community, what future they want for it, and how to achieve it. See <https://www.communityheartandsoul.org/seed-grants/> for more information and to apply.
- ❖ The U.S. Department of Transportation (DOT) Federal Highway Administration (FHWA) recently initiated the **Mentoring, Assistance, Training, and Communication Help (MATCH) Program** to provide free, broad-based technical assistance to local and tribal agencies facing roadway challenges. This program connects agencies requesting assistance with volunteers that have specific expertise to help successfully address and identify challenges. The program consists of Mentors, who are transportation safety professionals that have specific expertise related to local or tribal road safety, and Mentees. All tribal and local agencies are eligible to apply for technical assistance by a Mentor, but requests must be submitted by a local agency. For more information on this program or to apply to be a Mentor or Mentee, see https://safety.fhwa.dot.gov/local_rural/match/.
- ❖ The United States Department of Agriculture (**USDA**) Rural Development is accepting applications for [Telecommunications Infrastructure Loans & Loan Guarantees](#). This program offers financial assistance to eligible service providers that will construct, improve, or expand telecommunication and broadband networks in rural areas. Applications are accepted on an ongoing basis.

More information regarding deadlines will be distributed as it becomes available. Please don't hesitate to contact Frank Humber, EARPDC Deputy Director, at 256-237-6741 or frank.humber@earpdc.org for more information.
