OLD BUSINESS:

Minutes of the CAC meetings from May 20, 2020, were approved on a motion by Mr. Tim Huddleston and seconded by Mr. Theo Smart. Motion carried.

NEW BUSINESS:

Vice Chairman Parnell called for the Review of FY 16-19 TIP Update and Administrative Modifications. Ms. Libby Messick gave the members a copy of the current TIP, also a list of the ALDOT modifications for this month and briefly reviewed it with them. She stated that there were seven modifications that created a change to the TIP, but it was less than 20%, therefore no

resolution was required, and there was also four modifications that did not create any changes to the TIP.

Vice Chairman Parnell continued by calling for discussion of Status Report of ALDOT projects. Ms. Messick explained that there was a list of current construction projects in the agenda packet and briefly reviewed it with them.

Next, Vice Chairman Parnell continued with New Business by calling for discussion of Safety Observations. Ms. Messick explained that there was a list of previous observations in the agenda packet for review. She explained there were a few updates from this list. She explained for item number 11 the reclassification of Ossington Ave was awaiting FHWA approval. For item number 19 ALDOT had stated nothing further could be done to assist with getting traffic to merge from west-bound 431 onto SR-21. For item number 21, Ms. Messick confirmed the intersection in question was for south-bound Quintard and 10th Street. She further explained that according to David Arnett, City of Anniston Public Works, the lights from 8th to 21st street are on a coordinated system and that extending one would lead to adjustment for all of the lights. However, the issue has been extended to Lance Armbruster to see if it would be feasible to extend the turn lane to prevent vehicles waiting on the light in the left most travel lane.

OTHER BUSINESS:

Vice Chairman Parnell called for discussion of CAC vacancies. Anniston has 6 vacancies, Oxford has 5, and Jacksonville has 1 vacancy. Ms. Messick explained 2 new committee members were appointed for Calhoun County last month and notice received the previous week.

Next, Vice Chairman Parnell called for the report on Anniston Express and ADA Para-Transit Ridership. Ms. Messick stated that the last two pages in the agenda pack are graphs to review and explained that there was a total of 5,852 for the month of June which was an increase from last month and a decrease from last year. For the ADA Paratransit Ridership for June; Anniston had 764 (increase) one-way trips, Jacksonville had 127 (no change) one-way trips, 79 (decrease) trips for Weaver, and Oxford had 180 (increase) one-way trips. For the Urbanized area 149 (increase) one-way trips and 129 (increase) one-way trips for the Rural area.

The next CAC meeting is scheduled for Wednesday, September 16, 2020 at 10:00 a.m. either in the EARPDC 3rd floor Conference Room or via teleconference again if still maintaining social distancing.
