Re: Calhoun Area MPO Resolution 785, Ossington Avenue Reclassification Consideration

Dear Mrs. Messick,

The McClellan Development Authority (MDA) is aware that the EARPDC and the Calhoun Area Metropolitan Planning Organization is considering the classification of Ossington Avenue as a minor collector.

On behalf of the MDA, our board has discussed the need of this reclassification for the McClellan area. We have determined that this project is compatible with the road's current functionality, the needs of those living in and travelling through the McClellan area of the MPO and we concur with it. We also request to continue to be included in the process of the project.

Sincerely,

Phil Webb  
Chairman
