OLD BUSINESS:

The minutes of the October 20, 2022, meeting was approved on a motion made by Mr. Toby Bennington and seconded by Mr. Fred Denney. Motion carried.

NEW BUSINESS:

Chairman Clendenning called for the Review of FY 20-23 TIP Spreadsheet and Administrative Modifications. Ms. Messick explained that there were no administrative modifications that created changes on the TIP spreadsheet and four administrative modifications that did not create changes to the TIP spreadsheet.

Chairman Clendenning then called for discussion of Resolution No. 840. Ms. Messick explained this resolution is to adopt and support the Statewide Performance Measurement Targets for Safety (PM1), Bridge and Pavement Performance (PM2), and FHWA System Performance (PM3). She explained PM1 targets are updated and adopted annually while PM2 and PM3 targets are updated and adopted bi-annually. A screenshot of the ALDOT safety portal was provided to show the MPO area is currently supporting PM1 targets. Mr. Chris Gann asked if there had been clarification on PM2. Ms. Messick stated she had double checked with ALDOT and there would be no further requirements for programming with these Performance Measures. A motion was made by Mr. Toby Bennington to approve this amendment with **Resolution No. 840**, which was seconded by Mr. Chris Gann. Motion carried.

Chairman Clendenning next called for discussion CAC Appointments. Ms. Messick reported that there was a list of the members in the agenda packet to review. The City of Anniston needs 8 appointments, 1 for Calhoun County, 7 for the City of Oxford, 2 for the City of Weaver, and 1 for Jacksonville.

Next, Chairman Clendenning continued with New Business by calling for discussion of Safety Observations. Ms. Messick explained that there was a handout in the agenda packet with the list of concerns from the CAC that had been discussed at previous meetings for review. There were a few updates that had been highlighted on the handout.

OTHER BUSINESS:

Chairman Clendenning called for discussion of Status Report of Pre-Construction projects. Ms. Messick reported that a list of pre-construction projects and their current statuses were included in the agenda packet for review.

Next Chairman Clendenning called for the status report on other local projects from ALDOT East Central Division. Mr. Shane Brown had sent a report for the current construction projects and the handout was included in the agenda packet.

Chairman Clendenning called for the Report on Urban Fixed Route and ADA Handicapped Transit Systems. Ms. Messick reported the ADA Paratransit Ridership for Anniston had 474 (decrease) one-way trips, Jacksonville had 117 (decrease) one-way trips, 43 trips for Weaver (decrease), and Oxford had 65 (decrease) one-way trips. For the Urbanized area 118 (decrease) one-way trips and 114 (same) one-way trips for the Rural area. Fixed-route ridership had a total of 7,483 (decrease) riders for the month of October.

Chairman Clendenning then called for discussion regarding the transit services follow-up meeting. Ms. Messick reported there would be a workshop for various businesses and service providers for the MPO area on December 1, 2022.

Finally, Chairman Clendenning called for comments or issues from member jurisdictions or attendees. There were none.

There being no further business, the meeting was adjourned at 10:22 am with a motion from Mr. Jay Jenkins and a second from Mr. Toby Bennington. The next meeting of the MPO will be Thursday, December 15 at 10:00 a.m.
